SIGNIFICANT
PROJECTS:

Mr. Levine has been Principal-in-charge of all major projects for the firms he has been affiliated with since 1983. Mr. Levine has played a major role in the development of dozens of educational, government, detention, and commercial facilities throughout Montana and Wyoming with project costs ranging up to \$11 million. He has significant experience with historic restoration, adaptive reuse, new construction, as well as remodeling and addition work. **Mr. Levine performs and oversees the building code review and analysis on all our building projects.** Mr. Levine keeps up to date with the latest building code changes and interpretations by attending International Conference of Building Officials (ICBO) courses.
